- **Who We Are:** The Richland Church exists to magnify Jesus Christ so that people might see, savor, and declare the glory (beauty) of God in the face of Christ. We truly want to be a church body that lifts up the name & work of Jesus, so that people might find hope in God. We're God-Centered in our worship and approach to ministry. We believe that the unwavering faithfulness of God and the continued grace of the people of Richland have provided a stable foundation in which to minister – evidenced by the longevity of our current pastoral staff with over 60 years of combined ministry at Richland.
 - **Where We Are:** Richland is the church “in the middle of everywhere”. Yes, we know it sounds a bit hokey, but it really might be the best way to describe us. While our building is located in a pretty rural setting, our church body is made up of people from 12 or more surrounding communities in approximately a 40 mile radius of the church. We have people coming from towns with a population of less than 10, as well as people coming from a city of about 25,000. We don't take lightly the level of commitment people make as they travel to Richland. We're grateful for a hearty & committed congregation.

- **What We Are:** Since our original foundation as a church, planted through the Sunday School movement in 1909, Richland has been passionate about ministering to all generations. Children & Youth Ministry have been a vital part of who we are and who we long to serve. Our congregation is made up of a fairly broad generational makeup –young families to older saints. We often talk about a “second congregation” that gathers at our midweek Family Night – our bus ministry brings a number of children and youth with no other church connections. Sunday School, Vacation Bible School, Christmas Programs, Youth Group trips, Outreach events, are all important parts of our DNA at Richland. Our people are dedicated and high-caliber servants, partnering in every level of ministry at Richland.
 - **Who We're looking for:** We're looking for someone who might come alongside us and help to lead the church forward, specifically helping in the area of children and/or youth - but also willing and able to be involved in every aspect of the life of the church. We anticipate this to be a full-time position.
