

OPPORTUNITY SNAPSHOT

CHILDREN'S MINISTRY PASTOR Spring Creek Church

Overview

Healthy, energized and supported by amazing people and resources, Spring Creek Church (springcreekonline.com) is excited to welcome a gifted, creative and high-capacity leader as their next Children's Ministry Pastor. This is an exceptional opportunity for an experienced pastor with a passion for children to join this thriving ministry.

The Big Idea

After 10+ years of quality leadership, the Spring Creek's Children's Ministry, also known as Kids Creek, is moving into a new season. With 360 children and more than 300 volunteers, Children's Ministry is viewed as an invaluable part of life at the church. While healthy and invigorated, it's also good to innovate and seek ways to improve. The right pastor will assess the current ministry, ask the right questions and thoughtfully execute any needed tweaks to elevate the ministry further. With a high-energy Sunday morning program, Wednesday night Awana and family-focused special events throughout the year, Children's Ministry is regularly abuzz with activity. In March 2018, the church built a new wing for Children's Ministry. It truly is a work of art, as delightfully colorful and whimsical woodland creature motifs greet all who enter. Spring Creek put a lot of thought into the layout and functionality of the space, as well as security features. The result is a pristine, welcoming and exceptional facility that is also safe and secure. One can't help but smile when walking through Kids Creek. The next Children's Ministry Pastor will also enter into an environment where responsibilities and expectations are made clear so the spirit of camaraderie, generosity, loving support and empowerment can thrive.
