

INTERNATIONAL STUDENT ADMISSIONS TIMELINE

Undergraduate: Admissions into the undergraduate program are made on a rolling basis by the Bethlehem College Admissions Committee. The application deadline for international applicants is January 10 for freshmen.

Undergraduate—Transfer: Junior transfer applicants who have not fulfilled the prerequisite of two semesters of Greek should plan to apply 12–18 months before they plan to enroll so as to complete Greek as well as the Old Testament and New Testament Survey exams. The deadline for applications is July 15th, thirteen (13) months before desired matriculation. Interviews will then be conducted, and an admissions decision will be given August 15th. Students who are approved will then begin Bethlehem's Accelerated Greek course in the Fall, and complete it in early Spring. After this Greek prerequisite has been successfully completed, applicants qualify for full acceptance, and may proceed with the F-1 Visa application process. Students enrolling in Accelerated Greek are required to pay the tuition costs for this course.

Graduate: International applicants who have already completed 2 semesters of college level Greek have a December 1 deadline.
